NEW 3D CHARACTER COLLECTIBLE TWS EARPHONES FOR KIDS

Bring your favourite character to life with these fun and functional 3D Character TWS Earphones. Designed to deliver a rich audio experience with deep bass, smooth mids, and crystal-clear highs, they combine premium sound with playful design—making them a perfect gift for all ages.

Featuring Bluetooth® 5.3 and ENC microphone technology, you'll enjoy stable wireless connection and crystal-clear calls, even in noisy environments. The IPX4 sweatproof rating makes them ideal for exercise, commuting, or everyday use. The Type-C charging case, designed with your favourite 3D character, offers up to 24 hours of total playtime (6 hours + 3 additional charges). Volume-limiting controls allow safe listening between 85 dB and 94 dB, making these earphones suitable for both children and adults.
